Tuition Fees

Payments can be made in full as a lump sum, over 10 months (Aug–May) or 12 months (July–June).

Re-registration Fee (*non-refundable*)

A \$200 non-refundable re-registration fee is charged to each family to reserve your child's space for the next school year and confirm teaching assignments. Re-registration forms will be available online at the beginning of March and the re-registration fee is due upon completion of the form. If you are unable to re-register online, forms are available in the school office.

Lump Sum Payments

There is a 2% discount for making one lump sum payment by August 1.

Outstanding Fees

If you are having difficulties making tuition payments, please contact the office to discuss new arrangements.

Tuition Tax Benefit

A portion of tuition from January to December may be classified as a charitable donation and used as a deduction on your personal income tax return. The amount of a donation receipt depends on how much tuition a family pays, how many children in each family attend Gaglardi Academy, how many months the children attend during a calendar year (January to June and September to December), and a "cost per student" factor calculated yearly. Tax receipts are issued at the end of February each year and are available for pickup from the school office. If you have any questions, please contact the office.

Tuition Reimbursement Policy

Please refer directly to the Parent Manual under the Admissions section on page 6.
